STATEMENT UNDER 37 C.F.R. 81.821(c)

Sir:

The Sequence Listing in this application, U.S.S.N. 10/694,207, is identical to the computer readable copy of the Sequence Listing filed in application 09/712,898, filed November 15, 2000. In accordance with 37 CFR 1.821(c), please use the last-filed computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the instant application. A paper copy of the Sequence Listing is in a separately filed preliminary amendment for incorporation into the instant specification.

Respectfully submitted,

Date: 4/1/04
